MEMORANDUM FOR RECORD

SUBJECT: San Antonio Uniformed Services Health Education Consortium (SAUSHEC) MOA, Bylaws, GME Budgeting Principles and Commitment to Graduate Medical Education (GME)

1. The existing SAUSHEC MOA & Bylaws are hereby reaffirmed as the organizational documents of SAUSHEC.
2. The attached SAUSHEC GME Budget Principles in the Dean's 20 FEB 2004 memorandum are reaffirmed as the budget guidelines for SAUSHEC GME programs.
3. The above mentioned documents and this memorandum demonstrate the commitment of SAUSHEC, Brooke Army Medical Center (BAMC) and Wilford Hall Medical Center (WHMC) to conduct GME in a scholarly environment that is committed to excellence in both medical education and patient care. They ensure that SAUSHEC is empowered to be the GME sponsoring institution with the leadership, organizational structure, and resources that enable it to achieve substantial compliance with the ACGME institutional requirements and to enable its ACGME-accredited programs to achieve substantial compliance with their program requirements. SAUSHEC and its member institutions will provide the necessary educational, financial, and human resources to support GME programs so that they can provide appropriate educational experiences, scholarly activity and supervision of residents while ensuring safe and appropriate care for patients. SAUSHEC and its member institutions are committed to facilitating their resident's ethical, professional and personal development and their achievement of proficiency in the domains of the six general competencies to the level of an independent practitioner.
